Deo gracias Anglia
(The Agincourt carol)

1. Our King went forth to Norman-dy, with grace and might of chival-ry.
2. He set a siege, the sooth for to, to Har-fleur town, with royal ar-ray;
3. Then went our King with all his host through France for all the French boast.
4. Then for sooth, that knight come-ly, in A gin-court field he fought man-ly;
5. Ther dukes and earls, lords and bar-ons were take-and slain, and that well soon,
6. Now grac-i-ous God, He save our King his people and all his well be-ing,

There God for him wrought mar-v-lous-ly where-fore Eng-land may call and cree.
That town he won and made af-fray that France shall rue till Doom es-day.
He spared no dread of least nor most till He come to A gin-court coast.
Through grace of God most migh-ty he had both the field, and the vic-to-ry.
And some were led in to Lon-don with joy and mirth and great re-known.
Give him God's lyfe and good en-ding, that we with mirth may safe ly-sing.
